

Inclusion Policy

At PMACTIVE, as a specialist inclusive provider, we recognise that almost all the children and young people who attend our sessions will have a special education need, learning difficulty or disability.

Our aim at PMACTIVE is to ensure that every child and young person will receive the best possible support to enable them to develop as an individual and to meet their full potential. We will do this by ensuring:

- All activities will be planned to enable all children and young people to make progress and for all to experience success.
- All staff at PMACTIVE will ensure they meet the learning needs of all children and young people in their care.
- We aim to keep parents fully aware of their young persons needs and progress
- We recognise the importance of equal opportunities, taking in to account all individual's needs.
- Children and young people are not discriminated against due to their disability.

We pride ourselves in working closely with individual families to ensure all needs can be met. If parents have any concerns about their child, we would encourage them to speak to a member of the PMACTIVE team. We are always open to trying new strategies to get children to engage in our services.
